

FAR and DFAR Regulations

Suppliers are required to know and stipulate that they have understood and comply with these government requirements from our (Semahtronix's) Web Site.

Semahtronix's will provide written documentations for those regulations for which any supplier cannot secure current documentations from approved government sources

This will be designated as a PQR code 21 on supplier Purchase Orders. The P.O. will direct you to the Semahtronix LLC. Web site where you will find the PQR Code listings under the Legal Stuff tab:

<http://www.semahtronix.com>

Your signature is required prior to the placement of a P.O. with your company for these DRS materials.
